To make Nanjing thrive let's strive

力学小学五(2)班 范俊哲

As the YOG arrives in Nanjing,
People dance for joy.
But what can we do?
Think about it!

As the YOG arrives in Nanjing,
We must act out
No spitting,
No littering.
Try to clean Nanjing and make it thrive.
Let's strive.

As the YOG arrives in Nanjing,
We will meet many foreigners.

We should say 'Hello' Whether in manderine, or English, or other languages,

Try to be friendly.
Try to be a good people.

Try to contribute in YOG.

As the YOG arrives in Nanjing,
I also wish to do something.

Build up my body,
Swim,
Pingpang,

Volleyball,
And baseball.
All the sport,
Must learn.
Go to the YOG,
Let's strive,
Later we will happy.

点评:小作者不拘一格地采用了诗的方式来表达对青奥赛的思考,看得出来他一定是个勇于创新、勇于尝试的人。在开头,小作者提出了问题,引起了大家的思考。是啊,我们作为南京的一分子,都能够做些什么事情呢?从文明的举止、行为到语言,都引起了读者的思考。语言表达简洁干练,清新自然。小作者还考虑到自身发展和青奥赛的联系,从当下做起,从点滴做起,为青奥赛做出努力,从而实现真正的奋斗。

Let's read 《The Romance of the Three Kingdoms》

爱达花园小学五(2)班 汤寅

In this summary holiday I read a very famous Chinese Classical story 《The Romance of the Three Kingdoms》wrote by Luo Guanzhong .

First I am interested in thirty-six tactics in the book .I think some of the tactics are very useful even in modern life. I hope I can learn a lot of tactics form the book and became more clever like Kong ming.

Second, I like the charac-

teristic people in the story. For example : Zhangfei is irascible but very faithful. Kongming is very clever and resourceful .Zhouyu is clever too but jealous. I like Kongming best .He is my idol.

I think it is a really interesting book! Do you want to read it too? Let's read the book together and discuss it in the internet!

A LETTER

Dear Miss Maggie,
How are you recently? I haven't heard of you for a long time but time seems to pass so quickly.

I am sure that you would like to know something about Nanjing and YOG. As we all know, The 1st Summer Youth Olympic Games has been held in Singapore last month, and Nanjing is the host city of the 2nd Summer Youth Olympic Games in 2014. No doubt, the city Nanjing where you have lived for many years will be more beautiful by then.

You will find that it is more convenient to travel in Nanjing. Five subway lines will be built and opened in 2014. More trees will be planted. The Qinhuai River will be more clear. You will see more clouds and blue sky.

I hope you come to Nanjing to attend YOG in 2014. I'll be your best guider. There are lots of interesting things we could do and many places we could go. I'm sure that you would have a nice tripe. What do you think?

Hoping to hear from you

高中组 Make a change of your taste of music

高一 徐佳琪

I want to talk about an American folk music band, She&him. The band consists of two members, Zoey Deschanel and M.Ward. I guess maybe She&him is not familiar to many people because their music is indie music and folk music is not widely accepted by young people. I love rock best ,but when I listen to She&him, their songs make me feel comfortable and peaceful. I love them.

Though they are awesome and they do write beautiful songs and sing well, they haven't become quite popular in the world. However, who cares? They love music and they keep their style, that's enough. I will still support them. Hey, don't think that folk music can only be accepted by middle-aged people and elders. When you listen to it, you will find that's cool.

Different from She&him, some singing groups, especially some Korean groups, they have many fans but

I don't think their songs are worthy of being listened.

When you are crazy over the so-called popular music, that's fine, you can also try indie music. It must be a fantastic experience,I bet. You know, popular things are not always the best.

点评:本篇文章语言使用得体流畅,中心明确,将作文题目的含义表述得清晰明了,句式多变,长、短句交替出现使用,让文章语句富于变化、不呆板。倒装句、被动语态、名词性从句以及短语句的运用保证了文章语句含义的丰富。同时,从本篇习作可以看出徐佳琪同学知识面非常宽,而且能用自己所学过的基本语言知识恰当地将自己的丰富思想流露给读者。
