Love is not everything

南京市29中学初一(8)班 管晶

If I give you three pieces of cake that are very delicious, and ask you: Which one will you choose? Surely, you will tell me: The biggest one! But when you pick it up, you feel that it's too big and oily to eat.

Maybe love is just like this, like these cake. As parents, you can not give us too much; if you have done this, you will find that your sons and daughters can not do anything by themselves. The children who are pampered by their parents just think: My mother and father will give me everything. But That's wrong. Then how?

As teachers, they tell the students how to find their ways and give the students instructions. That's OK. But if a teacher feeds the student everything, the student won't be able to solve any problems by himself. To teach a man fishing is better than to give him fish.

After all, we need to support ourselves, too much love is not good for our children's growth. Please trust in us, we can do better than you think, we are not little

children any more. If you give us too much love, we will feel bored. PLEASE LET GO!

Love is not everything; to support ourselves is as important as it!

指导老师:潘芸莉

点评:对于初一的学生来说,文章从立意到构思都无可挑剔。小作者由此及彼,从选蛋糕这件生活中的小事联想到生活中父母、师长之爱,并加以思考,实属难得。但文章仍然存在有待提高的地方。特别是语言上。如文中“for students/teachers”表达“对于学生/老师来说”,英文中常用的表达方式“as students/teachers”,有几处用词不算完美,希望小作者继续积累。

Do to have a moral person

—The history person gives me enlightenment

拉萨路小学五(3)班 胡锦涛

As the old saying goes, "history makes people wise." I like history and history books, The Three Kingdoms in particular. While reading 'The Three Kingdoms', I've learnt a lot, especially that we should try our best to be a person with morality.

In the latter part of 'The Three Kingdoms', the army of Shu Kingdom was defeated badly by Sima Yi and fled back to Shu Zhong. Only Zhao Yun's army survived without the damage of soldiers and impedimenta. Zhao rejected Zhuge Liang's offer to reward his soldiers and himself, insisting that he should save every cent for the country and he was not justified to claim reward from the country. Later Zhuge Liang said there was no wonder the dead emperor Liu Bei praised Zilong's morality. He was always thinking of the interests of other people and his country, and this deserves our respect and learning.

In real life we all know that when you harm someone, you must end up hurting yourself. Li Qiming, an officialing, drove drunk on the campus and knocked over two girls. What is worse, he blustered: "My father is Li Gang," and knocked one of the girls dead. At last he was

sentenced to six years in prison. Yao Jiaxin, a junior student, drove into a young woman, stabbed her eight times to death and fled away. And he was sentenced to death himself.

The shameful behaviors of these arrogant and unruly people like Yao Jiaxin and Li Qiming are denounced by the public. They are lacking in the basic morality, kindness and concern about others, and that's why they are at last punished by the law and their promising future is destroyed as well.

It's not so difficult to be a person with morality. First and foremost, do not do evil things though they may be insignificant, and do not give up good things though they may be minor matters. Minor morality includes respecting teachers, showing filial obedience to parents, thinking as much of others as possible; big morality includes thinking as much of the community and the country as possible. When personal interest goes against the interest of the country, individuals should sacrifice their own interest for the sake of the public.

Sometimes we are at odds with our classmates. In that case, we should learn from Zhao Yun

and try our best to be humble, moderate, considerate, and tolerant, and make ourselves respectable.

From little things, big things grow! Let's learn from Zilong and make ourselves pillars of the country.

点评:从文章结构看,全文深入浅出,把道德涵义解释得很通透。从语言运用方面,还需多把握对词义精准的理解,多参照英文解释。如Apocalypse多指灾难世界末日,而启示只理解多用enlightenment。英语写作中多采用同义词和词组表达方式(paraphrasing),不要反复重复单词,可让语言更加鲜活。如第一次采用particular,第二次释义可选用同义词especial。

What is love to you?

Looking back on my past six thousand two hundred and five days, I find the flower of love blooming in my heart.

For me, love is the representative to listen and disbursement. If I feel worried because of something, my parents and my best friends will notice the change of my mood quickly. In addition, their will be bound to listen to my worries patiently and spare no effort to help me solve my problems.

Love is also the source of courage and tolerance. on the way to achieve success, although difficulties can not be avoided, the support from love exists permanently. It is the support that lets me have courage to face the challenge during my life. Owing to tolerance, our country manages to build harmonious society. The seeds of love are sowing in every-

one's heart, blooming fragrant flowers.

In a word, Brief is life, but love is long. Where there are you, there is love.

Close your eyes and you will hear the step of love getting closer.....

点评:全文语言流畅,条理清晰,结构严谨,熟练运用简单句、并列句、复合句等复杂的语言结构,长短句交替使用,文章通篇贯穿各类从句、强调句等所学知识,得体表达出what is love,也可见小作者扎实的英文功底。

全在线模式护航,谁能减鲲鹏之势

在中国的IT教育产业,自从北大青鸟APTECH叫响了“软件蓝领”的概念之后,人们潮水般扑向软件行业。现如今,北大青鸟APTECH又放眼大学生市场,推出学士后品牌,以全在线模式再次掀起大学生走向IT产业的浪潮,这只“青鸟”高飞展翅,用鲲鹏之势再次划江海于麾下,让人不禁发问:“北大青鸟,你究竟神在哪里?”

学士后课程分为JAVA、NET、Android三个方向。2011年7月最新TIOBE排行榜显示,

JAVA再次名列榜首,.NET平台最强支持语言C#次之。这组数据再次告诉我们,从事JAVA、NET、Android开发的人饭碗不愁,且薪水不菲。

由此看出,学士后就是为大学生“学有用武之地”而设,不得不承认,学士后的受捧根源在于其更了解IT市场需求,更懂大学生追求实用的心理。

选择IT培训充电的过程中,大学生最关心的是IT培训如何带给他们最好的学习效果。全在线的模式是利用虚拟教学,

为每一个学习者量身定制专属的学习计划,强大的交互平台与实时信息反馈系统,让每一个学习者的学习进程被教师了如指掌,学习者产生的疑问都被及时解决。

同时,全在线模式为学习者设置了“挡板”,完不成这个阶段休想进入下一个学习阶段,以此保障学习质量。

北大青鸟APTECH相关负责人曾说,“我们要对每一个学生负责,连学习效果都不能保障,何谈教育?”
