The infographic illustrates various traffic light configurations and their corresponding vehicle movements. It features a central road with three lanes: left-turn, straight-ahead, and right-turn. Vehicles are shown in different colors (white, green, red) and positions relative to the traffic lights. The configurations are as follows:

- Top Left:** Left turn, straight-ahead, and right turn lights are all red. Text: 左转、直行、右转禁止通行 (Left turn, straight-ahead, right turn prohibited).
- Top Right:** Left turn, straight-ahead, and right turn lights are all green. Text: 左转、直行、右转均可通行 (Left turn, straight-ahead, right turn all permitted).
- Middle Left:** Left turn light is red, straight-ahead and right turn lights are green. Text: 直行、右转通行 禁止左转 (Straight-ahead, right turn permitted; left turn prohibited).
- Middle Right:** Left turn and straight-ahead lights are green, right turn light is red. Text: 左转、直行通行 禁止右转 (Left turn, straight-ahead permitted; right turn prohibited).
- Bottom Left:** Left turn and straight-ahead lights are red, right turn light is green. Text: 左转、直行禁止通行 可右转 (Left turn, straight-ahead prohibited; right turn permitted).
- Bottom Right:** Left turn and right turn lights are red, straight-ahead light is green. Text: 直行通行 禁止左转、右转 (Straight-ahead permitted; left turn, right turn prohibited).
